Match Notes:

Great opening spells by Oliver (0/12) and Crowe (0/17), but three drop catches cost us dearly. Despite continued good bowling by Coghlan & Co. the Infantry batsmen saw an unbeaten 100 run partnership. Once the break through came OWC fought well to get back in the match. Pete (2/26) got a wicket with his first ball and picked up another soon after. Crafty Feutrill (2/17) slowed down the runs and drew out a handy two wickets. But the pick of the bowlers was Coghlan taking an impressive 3/26 off 9.2 overs. The Infantry CC were all out in the 46th over for 203.

After a big lunch the OWC run chase started slowly and Greg soon lost his partners Watson (1), Gezza (2) and Sal (0) to see the score at 3/14. A short reprieve by Mike 'Firey' Flynn saw a quick fire 32 run partnership which started to give us hope. Then Firey went for one too many and the score became 4/56. Another collapse occurred; Dave(3), Andrew run out (again) for 7, Pete (Quack) and Josh (Quack, although faced off the hatricket ball). So it was left to Ben and John, who both looked our best batsmen. They put on 42 runs before a blinder of a square gully catch off Ben brought the match to an end. Infantry CC were victors by 80 runs.

Beyond the score card, it was a great day by all.
